

PPI Q&A

An informal, open, drop-in session for all health and medical research staff working in Oxford – come and ask your questions and get advice about involving patients and the public in your research projects.

No need to stay for the full time – you can simply get your answers and go when you're done.

And there are no 'stupid' questions!

1 Wed, 11 July, 11-12.30 pm

Location:

Group Room, Department of
Psychiatry,
Warneford Hospital
